PREFACE

PRE-REQUIREMENTS IN EXERCISING DELEGATED POWER

This 'Delegation of Financial Power 2016 (DoFP 2016)' is prepared updating the 'Delegation of Financial Power 2008' in the light of Public Procurement Rules 2008, its amendments and Financial Powers delegated to the Head of the Organizations and the Project Directors of Developments Projects vide Ministry of Finance's no. 07.111.031.01.00.013.2010-576 date:16.08.2015. The delegation covers procurement both under development budget (GOB funded and aided) and non-development budget/own fund as well as establishment expenditure. The Project Directors will be responsible for ADP projects. They will implement the works through BWDB Field Divisions.

Field Executive Engineers, Superintending Engineers and Chief Engineers will act as the Project Directors which will be selected by the ministry of water resources.

In aided projects the Project Director will take necessary concurrence from the Development Partners as mentioned in the Project Paper.

For Non-development Budget, the officers up to fifth grade will exercise powers as delegated to their original rank.

The pre-requirements in exercising the delegated powers are delineated in the 'Remarks' column. Some of the common pre-requirements are spelled out below.

1. The delegated power must be exercised in conjunction with Public Procurement Rules 2008 and its amendments. Anything found in this DoFP contradictory to PPR2008 should be referred to Contract and Procurement Cell, BWDB, Dhaka.
2. Administrative approval is must for commencement of any procurement. Administrative approval should be obtained through Procurement Plan. Procurement Plan for respective procurement will be approved by the concerned officer whom power for administrative approval is delegated. The procurement Plan for development projects must be based on Physical Break-up approved by concerned Additional Director General. Allotment orders of Non-development Budget issued by Directorate of O&M/Finance will be treated as Physical Break-up for works and Establishment expenditure under Non-development Budget.
3. Before invitation of any tender, the officer inviting the tender should ensure that the work for which tender is being invited has been included in the Procurement Plan of the concerned financial year and that there is provision of fund in the approved Physical Break-up, if not otherwise instructed by DG through Project Director/Director, O&M.
4. Tenders for Procurement under different methods should be invited in prescribed documents and evaluated by standard procedures published by CPTU intimated by Director, Contract & Procurement Cell, BWDB from time to time. For aided projects, guidelines of the Development Partners if incorporated in the Loan/Grant agreement must be adhered to as per PPA 2006 clause 3(2)(Gha).
5. Tender shall not be invited without approved estimate prepared on the basis of approved design and drawing. However on the ground of urgency or otherwise tender for a work can be invited as per provisional estimate prepared on the basis of working drawings if permitted by the Chief Engineer/Project Director. But the acceptance of the tender shall not be made before the approval of the estimate as per approved design drawings. In such case tendered items of work shall be adjusted according to the sanctioned estimate at the time of evaluation of the tender and tenderers should be notified accordingly before closing the tender.

6. Approval of splitting of a work into different packages/lots should be obtained from DG through Procurement Plan. Number of packages/lots and Contract Approving Authority should be fixed following Rule 17 of PPR2008.
7. Approval for additional works/supply/consultancy beyond ongoing contract must be obtained from competent authority as delegated under this delegation through Appendix-I.
8. Permission for executing and Administrative approval for emergency works to the effect that the situation is disastrous/catastrophic must be obtained from competent authority as delegated under this delegation through Appendix-II.
9. Additional Chief Engineers will exercise the power of Chief Engineer. Superintending Engineers/ Directors of Directorates/Cells attached with DG/ADGs will also exercise the power of Additional Chief Engineer in case of procurement. In all other cases equivalence will be determined based on the original pay scale of the posts.
10. A higher authority may exercise the delegated power of lower authority where no power is shown against the former, if needed.
11. If any change in the ceiling amount fixed in schedule-2 of PPR 2008 is made by the Government through separate orders, DG, BWDB will delegate the new ceiling in the light of this delegation.
12. Director General, BWDB may re-delegate the power delegated to him to his sub-ordinate officers (up to 5th Grade). Project Directors may also re-delegate the power delegated to them to their sub-ordinate officers (up to 5th Grade) with approval of the Director General, BWDB.
13. In case of increase or decrease of any BOQ item and total cost remains within contract value then revised estimate will be approved by the original approving authority. In case of consultancy services revised estimate will be approved by DG.
14. In case of deposit work PE will sign MOU with the owner department (Government, Semi-Government or Autonomous body) with the prior approval from the Director General, BWDB and financial power will be the same as delegated in NDR. In case of private agency PE will sign the contract agreement with prior approval of the Director General, BWDB.
15. In case of work done by Directorate of Dredger, BWDB, DG will approve the Procurement Plan; Zonal CE /ACE or PD will approve the estimate under NDR/Development Budget respectively; and PE will sign MOU.
16. Any other issue which is not covered in this delegation should be referred to the DG through Director, Contract & Procurement Cell, BWDB, Dhaka.

RULES FOR HIRING HOUSES IN BANGLADESH WATER DEVELOPMENT BOARD

The following rules shall be followed for hiring houses both residential and official accommodation at Dhaka.

1. The head of the office or the consulting firm will select from the list maintained under rule 4 or any other accommodation of their own choice in areas within the ceiling of rent and space approved by the competent authority or agreed upon in any contract with the Water Development Board.
2. Where the head of the office or consulting firm is unable to select their accommodation they may submit their request for selection of houses to the Director, Estate & Transport Directorate, Bangladesh Water Development Board.
3. Request for hiring houses should be made by the head of the office or the consulting firm requiring the accommodation quoting agreements with the Board.
4. (a) The Director, Estate & Transport will maintain a list of house owners who wish to register their houses for letting out to the Board.

(a) The register should contain the name and address of the house owner, location and room-wise space, index plan of the house and rent demanded by the house owner.

(b) The list should be updated once in a year preferably in December. Only those houses should be retained in the register who have renewed their request.
5. The list as maintained under rule 4(b) should be furnished to the head of office or consulting firm requesting for such list for selecting suitable house as per rule 1.
6. On receipt of request for hiring houses under rule 3) the Director, Estate & Transport will cause physical inspection of the house to ascertain the correctness of the specification of the house stated by the owner, its condition and fair rent as per prevailing market condition.
7. The proposal received under rule 3 and report of the Director, Estate & Transport under rule 6 should be examined in the Accommodation Board or be circulated among the members of the Accommodation Board for consideration.
8. The Accommodation Board will comprise of Additional Director General (Admin), Director, Estate & Transport, Director, Program and Superintending Engineer, Dhaka O&M Circle, Dhaka.
9. On recommendation of the Accommodation Board the Director, Estate & Transport will hire the house.
10. (a) Agreement of lease will be made in the standard lease form

(b) Standard lease form may be revised from time to time with legal advice and approval of the Additional Director General, Administration.
11. For the first time, no lease will be made for a period more than 2 years/or period less than 2 years if stated in the proposal of the head of the office or consulting firm requiring the accommodation.
12. Renewal on same terms and conditions shall be made by the Director, Estate & Transport normally for one year if stated by the head of the office or consulting firm requiring the accommodation.
13. Normally no advance rent should be allowed.
14. For any special condition, the case should be referred to the Board.

২। কমিটির কার্য পদ্ধতি :

(ক) যে সকল যানবাহন/যন্ত্রপাতি সম্পূর্ণ ব্যবহারের অনুপযোগী/অচল এবং মেরামত অলাভজনক হইবে শুধুমাত্র ঐ সকল যানবাহন ও যন্ত্রপাতির টি আই আর ফরম (এ্যনেস্কার-২ ও সার্ভে রিপোর্ট (এ্যনেস্কার-৩) যথাযথভাবে পূরন করতঃ সংশ্লিষ্ট দপ্তর প্রধান ঐগুলি সভাপতি, কনডেমনেশন কমিটির নিকট প্রেরণ করিবেন।

(খ) কমিটির সদস্য-সচিব সভাপতির অনুমোদনক্রমে জরুরী ভিত্তিতে কমিটির সভা আহ্বান করিয়া সকল সদস্যগণকে যথাসময়ে অবহিত করিবেন। টি আই আর ফরম ও সার্ভে রিপোর্ট পাওয়ার এক মাসের মধ্যে প্রয়োজনবোধে পরিদর্শন করতঃ কমিটি উহার সুপারিশসমূহ স্বত্বাধিকারী দপ্তর প্রধানের নিকট প্রেরণ করিবেন।

(গ) কনডেমনেশন কমিটি অথবা কমিটির যে কোন মনোনীত সদস্য অথবা কমিটি কর্তৃক মনোনীত প্রতিনিধি সকল অথবা কিছু সংখ্যক অচল যানবাহন/যন্ত্রপাতি প্রয়োজনবোধে সরেজমিনে পরিদর্শন করিতে পারিবে।

(ঘ) অচল যানবাহন/যন্ত্রপাতিসমূহ অকোজো ঘোষনার সুপারিশ কনডেমনেশন কমিটির নিকট হইতে পাওয়ার স্বত্বাধিকারী দপ্তর প্রধান পরবর্তী ব্যবস্থা যেমন, উপযুক্ত কর্তৃপক্ষ কর্তৃক সার্ভে রিপোর্ট অনুমোদন এবং পরে প্রতিযোগীতামূলক দরপত্রের মাধ্যমে ঐগুলি বিক্রয়ের ব্যবস্থা গ্রহণ করিবেন।

(ঙ) এ্যনেস্কার-৪ স্থাপতি ছক অনুযায়ী এ সম্বন্ধে ত্রৈমাসিক রিপোর্ট বোর্ডের নিকট দপ্তর প্রধান প্রেরণ করিবেন। যাহা বোর্ড হইতে প্রশাসনিক মন্ত্রণালয় এবং অর্থ মন্ত্রণালয়ের স্বায়ত্তশাসিত সংস্থা শাখায় প্রেরণ করা হইবে।

৩। যানবাহন/যন্ত্রপাতি অকোজো ঘোষনার নীতিমালা :

নিম্নবর্ণিত নীতিমালা অনুযায়ী যানবাহন/যন্ত্রপাতি অকোজো ঘোষনার জন্য বিবেচিত হইবেঃ

(ক) যে সকল যানবাহন/যন্ত্রপাতি ঘন ঘন মেরামতে ফলে যথেষ্ট আর্থিক খরচ হইয়াছে এবং পুনরায় মেরামত করিলে সম্পূর্ণ অলাভজনক হইবে সেইরূপ যানবাহন ও যন্ত্রপাতি।

(খ) মডেল পরিবর্তনের ফলে বাজারে সরবরাহ বন্ধ হইয়া গিয়াছে এমন যন্ত্রাংশ পরিবর্তনের প্রয়োজন আছে এইরূপ যানবাহন ও যন্ত্রপাতি।

(গ) যে সকল যানবাহন ও যন্ত্রপাতি ব্যবহার উপযোগী করিতে বাৎসরিক মেরামত বায় মূল ক্রয়মূল্যের শতকরা ৫০ (পঞ্চাশ) ভাগের বেশী হইবে এইরূপ যানবাহন ও যন্ত্রপাতি।

(ঘ) দুই এর অধিক ইউনিট যে সকল প্রধান যন্ত্রাংশ ক্ষয়প্রাপ্ত হইয়া ছিয়াছে এইরূপ যানবাহন ও যন্ত্রপাতি।

(ঙ) দুর্ঘটনায় ক্ষতিগ্রস্ত হইয়া যে সকল যানবাহন/যন্ত্রপাতি কাঠামো দুমরাইয়া/যুচড়াইয়া গিয়াছে এবং এক বা একাধিক ইউনিট বিনষ্ট হইয়া গিয়াছে এইরূপ যানবাহন ও যন্ত্রপাতি।

(চ) কোন বড় রকমের গলদের জন্য রাস্তায় চালানো বিপদজনক/জ্বালানী খরচের পরিমাণ অনেক বেশী এইরূপ যানবাহন/পাল্পপাতি।

৪। যানবাহন ও ভারী যন্ত্রপাতি অকেজো ঘোষনার পূর্বতী নিয়ম/আদেশ এই পদ্ধতি ও নীতিমালা দ্বারা প্রতিস্থাপিত হইয়াছে বলিয়া গণ্য হইবে।

যানবাহন ও ভারী যন্ত্রপাতির তালিকা

STANDARD PROCEDURE/INSTRUCTION FOR AUTOMATIC HOLDING OF A FORMAL INVESTIGATION OR BOARD OF ENQUIRY IN THE EVENT OF LOSS OR DAMAGE TO BWDR PROPERTY.

1. General

- (i) These instructions are based on the following rules which must be taken as fundamental guides on the subject:
- (a) General Financial Rules-Vol. 1 & 11
 - (b) East Bengal Financial Rules
 - (c) C.P.W.D Code.
 - (d) Orders of BWDB and/or East while EPWAPDA.
- (ii) This procedure lays down a standard and uniform course of action to be adopted at all levels to secure prompt and automatic investigation of loss to BWDB property.

2. Definition of Loss

For the purpose of these instructions "Loss" means actual loss. of money or materials belonging to the Board or any damage to its stores, equipment, plants, buildings, structures (including those under construction) and any other assets etc. thorough acts of man or nature. Any loss of and damage to the stores, materials, buildings and structures, irrespective of its extent or monetary implications. mill be treated as a loss', if such damage detracts their value or utility.

Note: The following are illustrative, but not necessarily exhaustive examples of loss.

- a) Theft, loss, misappropriation or defalcation of the Board's money;
- b) Theft or loss of stores, materials and equipment due to any reasons;
- c) Damage to stores, equipment, structures, buildings, power plants, transmission lines, etc. and failure of structures, buildings, power plants, transmission lines etc. involving financial loss to the Board;
- d) Loss or damage to property caused by fire, flood, cyclone and other natural calamity;
- e) Loss due to accidents involving life or serious injury or damage to an employee and property of BWDB;
- f) Loss of Secret and Confidential files;
- g) Losses due to strikes or riots involving BWDB employees.

3. Introduction:

(i) In is basic duty of all BWDB employees to ensure that loss of the Board's money, materials, stores, equipment, plants, structures, buildings and all other movable or immovable properties of the Board, is avoided under all circumstances. It is also their responsibility to report without delay any loss of such property to their immediate superiors as soon as either it is discovered by them or they become aware of such loss through any source. The report shall contain the description of the losses with date and time of occurrence, amount/quantity of losses, time of discovery/aware of the Losses, reasons and consequence/affect of the Losses and persons responsible. if any and action taken as per these procedures. Every superior shall transmit the report to the next superior immediately stating the action taken by him and further action needed by superior.

(ii) Means will be adopted in all organizations/Directorates/Projects/Circles and Divisions etc. to ensure that every OWDB employee realized fully and clearly that he will be hold responsible for any loss sustained by the Board through theft, fraud or negligence on his part and that he will also be held personally responsible for ally loss arising from theft, fraud or negligence on the part or any other employees to the extent to which it may be shown that he contributed to the loss by his own action or negligence. The cardinal principle governing assessment or responsibility in such cases is that every employee should exercise the same vigilance and care in respect or BWDB money, stores, materials, equipment, plants, structures, buildings and other assets entrusted to his charge which he would exercise, as a person of ordinary prudence, in his own personal affairs.

4. Investigation and Reporting of Losses:

(i) All losses will be the subject of automatic and immediate investigation. Similarly, all occurrences involving losses will be reported to the next superior office and the Director of Audit and Finance without delay.

(ii) It is of the greatest importance that all losses be reported immediately not only for the purpose of investigation but also for the information of superior officers. All losses through any cause exceeding Tk. 10,000/- (Taka Ten Thousand) will be reported to the Board through proper channel.

(iii) (a) In the event of any loss of Board's money, receipts, stores or other property caused by theft, misappropriation or defalcation a first information report (FIR) should be lodged with the police by the officer concerned at the earliest possible moment, This step should not be delayed for initiation or completion of departmental proceedings against the individual or individuals concerned; it should be taken as soon as it is decided by the officer concerned, in consultation with his immediate superior officer, that a criminal investigation, with a view to prosecution, ought to be instituted.

(b) The decision whether a First Information Report (FIR) is to be lodged or not will rest with Executive Engineer or an officer of equivalent rank.

(c) The fact of lodging a first information report (FIR) should be communicated to the Head of the Department and the Board.

(d) An officer lodging a First Information Report (FIR) will :-

- i. request the Superintendent of Police/Officer in-charge to arrange to the investigation;
- ii. arrange that all witnesses and documents are made available to the investigating officer;
- iii. associate with the Investigating Officer or depute an officer of the department who is not personally concerned with the issue and to the lodging of the First Information Report.

(e) If on completion of the police investigation, it is decided to prosecute, the BWDB representative will ascertain from to prosecuting officers, whether it is necessary to move the District Magistrate to make special arrangements for a speedy trail and will request the prosecuting officer to make any application that he may think necessary.

(f) In case it is decided to prosecute, sanction of the Govt. under Sect. 197 Cr. P.C will have to obtained only in respect of the transferred personnel and other Govt. servant on deputation. The application should be made by the Executive Engineer or any officer of equivalent rank concerned through the proper channel. In the case of direct recruits or others no such sanction will be necessary.

(g) The departmental investigation into the loss as required under these instructions shall, however, proceed, irrespective of the fact of lodging first information report or of prosecution.

(h) When the case Is put Into court by the police, the officer who lodged the first Information report or If he Is transferred, his successor will see that all witness serving In the BWDB and all

documentary evidence in the central or the BWIM are punctually produced and will either personally attend or appoint an officer to attend the proceedings in the court and assist the prosecuting officer.

(i) If any prosecution results in the discharge or acquittal or any person or in the imposition or a sentence which appears to be inadequate, the Executive Engineer or similar officer of the area shall contact with his Superintending Engineer/Project Director and the Lawyer and submit his recommendation to the Board through the proper channel for orders. Appeals against acquittals can be made only under the orders of the Government.

5. Object and Necessity of Investigation:

The primary object of any investigation is to establish and record full facts relevant to the matter under inquiry. All investigations must be recorded in writing and presented in the form of regular proceeding. The proceedings shall form the basis for fixation of responsibility, disciplinary action and approval to the write off of the losses.

6. Formal Investigation/Board of Enquiry:

- (i) Each case of loss will be dealt with by either format investigation or a board of enquiry under the orders of the competent officer as described in para-7 below.
- (ii) A formal investigation will be held in simple cases of loss not exceeding Tk. 2500/- provided that the loss is not due to theft, fraud or negligence and will be conducted by an investigating officer not below the rank of Assistant Engineer/Stores Officer or equivalent rank. Causes involving theft, fraud or negligence may, if the loss does not exceed U. 2500/-, be disposed of by formal investigation at the discretion of the concerned officer.
- (iii) A Board of enquiry shall consist of at least 2 officers of whom one should be a class-I officer and should act as the Chairman and shall investigate all cases other than those mentioned in the proceeding sub-para (ii).

7. The Competent Officer, their categories and power to order an enquiry

The following re the officers who are competent to order format investigation and to appoint a Board of Enquiry in respect of the cases noted against each:

S1. No.	Officer Competent to order formal investigation or to appoint a Board of Enquiry	Limit of Losses	
		Due to theft, fraud or negligence	Not due to theft negligence

5	Sub-Divisional Engineer/Deputy Director and Equivalent	Nil .	Tk. 2,500

Note : Cases above these limits should be referred to the Board for orders.

Those powers to order formal investigation or appointment a board of enquiry have as their object the expeditious disposal of Cases of loss with reference to fixing responsibility thereof. This in no way affects the powers of write off which are governed by the relevant delegations of powers of the Board, as amended from time to time, read with para-9 below. However, the officers empowered to write off losses will be guided in the exercise of their powers by the evidence, findings and recommendations of the formal investigations or Board of Enquiry.

8. Procedure for format Investigation/Board of Enquiry:

- (i) The Investigation Officer or Board or Enquiry should commence the enquiry immediately on receipt or an appointment order under paralirapti-7.
- (ii) All investigations and enquires must be completed with minimum delay and without interruption, The time limit to complete the investigation should be mentioned in the appointment order according to the nature and urgency or the case.
- (iii) All persons in a position to testify of the relevant facts will be called as witnesses.
- (iv) The Investigating Officer or the Board of enquiry shall record a brief memorandum of evidence, embodying the gist of statements made by the witness.
- (v) The Board of Enquiry shall examine witnesses; seriatim and record their statements and cross examination (if any). The statement of each witness will be signed by him and a certificate given by the Chairman of the Board of Enquiry that the statement read out to the witness in a language, which he understood and admitted to be correct.
- (vi) No witness, who is an employee of Board will be allowed to proceed on leave before the completion of the enquiry.
- (vii) The investigating Officer or the Board or Enquiry, after completion of the proceedings shall draw up and submit to the competent officer a report embodying the detailed findings fixing up the responsibility and definite recommendation.

Note: A specimen form of proceedings is attached as Annexure-A.

9. Recovery of Losses.

- (i) The competent officer, shall, after due consideration of the report, decide whether write off is justified, in which case he should proceed according to the orders of delegation of powers in that behalf.
- (ii) The powers to write off losses within the delegated limits are subject to the conditions (1) that the loss does not disclose a defect in the system the amendment of which requires the orders of the Board, (2) that there has not been any serious negligence on part of any individual officer or officers employed in the Board, which might call for disciplinary action requiring orders of a superior officer and (3) that the irrecoverable value of these losses which are due to fraud or the negligence of individual may be finally written off by the Board.

Note 1: The question of write off will arise only when the value of stores or public money lost by, fraud or negligence of individuals etc. is found ultimately to be irrecoverable. The first step will always be to fix up responsibility for the loss as laid down in these rules, with a view to recovering from persons responsible, the value of such loss.

Note 2 : The Expression -value of such loss - should be interpreted as meaning "replacement value", except in cases of momentary losses.

- (iv) All sanctions to write off losses should be communicated to the Director of Accounts and the Director of Audit for scrutiny of each case and for bringing to notice any defect in the System which may require attention.
- (v) Irrespective of whether or not write off is found to be justified, the competent officer must, if the loss has occurred through theft or misappropriation, make every endeavor to recover the whole amount lost from the guilty person or, if a fraud was facilitated by laxity of supervision or a penalize the employee at fault either directly by requiring him to make good sufficient proportion of the loss or indirectly by reduction or stoppage or his increment of pay, provided, however, that this instruction should not be interpreted as precluding recourse to any major penalty which may be imposed under the disciplinary rules. If the circumstances of the case justify it.

10. Register of Losses

All Drawing and Disbursing officers including divisional officers will maintained a Register known as “Register of Losses”. This will be Maintained in the form shown at Annexure “B”.
